

Rules and regulations for participation in CBSE Heritage India Quiz 2018-19

1. Any student from class IX to XII can participate.
2. There will be three students participating from each school in the first phase i.e online test.
3. Schools can register only one team . A second team will not be permitted from any school.
4. The online registration window will remain open from 18th October 2018 to 12th November, 2018 .
5. The date of online test will be informed through notification once the registration is closed.
6. The duration of online test will be 45 minutes and the schools can open the link 15 minutes before the commencement of online test i.e 11:45 noon. The test will commence at IST 12:00 noon.
7. There will be no negative marking done in the online test.
8. The number of correct responses with time taken will be shown immediately after the online test is conducted.
9. Region wise merit will be prepared. Top two teams from each region will be selected for participation in National Semi Finals, which will be conducted at Delhi.
10. In case of tie of the correct responses, the team which has taken shortest duration will be declared as winner.
11. In case of tie of the both correct responses and time taken, the team which has more students from lower classes will be declared as winner.
12. In case of more than 20 teams qualifying for the National Semi Finals, a second round of online test will be conducted at different venues decided by the Board.
13. The National Semi Finals will witness two teams each from across the 10 competing region. The 20 teams will be divided into 05 groups of 4 teams each.
14. All the participants of national semi-finals and final will be given a certificate of merit and winners will also be given cash prizes.
15. Videography of rounds should be done to avoid any confusion later.
16. The computer system with seamless broadband connection should be properly installed in the lab of the school for online test.
