**CBSE/SECY/2020**

**February 1, 2020**

Heads of all Schools  
Affiliated to CBSE

Dear Principals,

**Subject: Activities in the Month of February, 2020**

The Board examinations will begin from 15<sup>th</sup> February 2020. Kindly ensure to inform your students about the Exam Centre Locator (**CBSE ECL**) App. The Exam Centre Locator App-CBSE ECL APP- is an android based mobile app which can be used by students to locate their examination centre and see the distance between current location and Examination Centre. The App is available on Google Playstore.

Further, several of your colleague Principals shall perform the duties of a Centre Superintendent. One of the important duties of a Centre Superintendent is the proper utilization of **Online Exam Centre Management System - OECMS (R 3.0)**.

OECMS system will be implemented from the month of February to April 2020 with a view to get real time information such as invigilators available, absentee students, PwD, scribe, unfair means, sugar patients, feedback about the question paper(s) and various other details.

I expect that utmost care will be observed while performing these extremely vital activities.

Best wishes!
